
Why choose The Development Partnership?

The Development Partnership has been delivering highly effective learning and development solutions since 1992. We focus on providing solutions covering performance-critical areas such as leadership, talent management and organisation development.

These solutions support improved performance for our clients in the public, private and third sectors. We work in partnership with you to strengthen the skills and abilities of your people and add more value to your organisation.

Our partnership approach establishes a highly productive long term working relationship because we:

- get to know your business and understand your operational needs
- are all experienced hands who are expert at what we do, move fast and work flexibly
- actively transfer our skills to your team – leaving your organisation with long-lasting benefits
- are committed to a successful outcome that enables your organisation to thrive and develop.

We deliver solutions that improve your organisation's efficiency, competitiveness and performance – with a focus on:

- Leadership
- Coaching
- Mentoring
- Talent Selection & Management
- Performance Management
- 360 feedback
- Assessment Centres
- Development Centres
